

How To Brush

Brush in the morning, and at night before going to bed.

Use a pea-sized amount of toothpaste on a soft toothbrush.

Brush teeth and along the gum using a gentle circular motion. Start with the outside surfaces.

Repeat on the inside surfaces.

Use a light back and forth motion on the chewing surfaces. Spit out toothpaste, but don't rinse with water.

Be sure to brush all surfaces: top and bottom, left and right, front and back.
